By signing below, both the parent and student agree that the above enrollment form. It will be necessary for the parent/guardian to give the student guidance in driving while in the program and after leaving the school. It is the responsibility of each student to know all the *Motor Vehicle Laws of Maryland* and the information contained in the *Driver's Handbook*. The Handbook will only be used in class as a reference source. All *MVA* test questions will come from the Handbook. Instructors at *Alfredo's Driving School, Inc.* will not be held liable for any acts of omission, not will the school be held liable for student performance while attending and after leaving the school. Disputes must be settled at the school with no court involvement. Although the *ALFREDO'S DRIVING SCHOOL, Inc.* Classroom and Behind-The-Wheel training will provide the student with the best quality education and training to meet all requirements as stated by the new *MVA* curriculum in order that the student become a considerate and conscientious driver, there is no guarantee that upon completion of the course the student will be a good driver. Producing good, capable drivers is a joint effort made by student, school, and parents/mentor.
